

## ACS Binghamton Local Section Annual Student Travel Awards

### **Eligibility:**

- Any college or university student at Hartwick College, SUNY Broome, SUNY at Oneonta, or Binghamton University presenting at a national or regional ACS meeting.
- Preference will be given to first time attendees.
- Award is based on merit as judged by chemistry faculty from the student's institution.
- If there are no applicants from an institution, awards will be used for qualified applicants from other institutions.

### **Number and type of awards:**

- Hartwick College - one undergraduate student award of \$200
- SUNY at Oneonta - one undergraduate student award of \$200
- Binghamton University - one undergraduate student award of \$200, one graduate student award of \$200
- SUNY Broome Community College - one undergraduate student award of \$200

### **Application and Awards Procedures:**

Each student applicant submits to their institution contact:

- A copy of their accepted meeting abstract.
- A short, explanatory letter (1 page maximum) describing what they hope to learn from the meeting.
- An email from the student's faculty advisor indicating the student has the permission to attend the conference.

Student names (winners and alternates) should be sent to the Chair, ACS Binghamton Local Section by the last Friday of March of the current year. Final award decisions (and names of alternates) will be announced by the second week of April of that year.

Awards are given as reimbursement after the meeting. Please keep your registration badge as proof of attendance and participation, and send a photocopy of this badge to the Treasurer, ACS Binghamton Local Section, to obtain reimbursement.
